

There is a question always we hear it: what I say when someone sneezing?

Before that you will hear who sneez say: Alhamdullellaah; which means thanks God.

After that you can say a nice expression to who sneeze.

There are two ways ingeneral:

- Yar7amoka allah يرحمك الله the response is: Athaabannaa wa athaabakom Allah. “ this is an Islamic response”

Remember that you will change the last part in the first word depending on the gender; so if you say it for a feminine you wil

I say: Yar7amoke Allah يرحمكِ الله, the response will stay the same.

- Sa77ah صَحَّة in English this word means Health, who say it he means that he wish for you to have a good health, the response is: 3ala qalbeka / qalbeke/ qalebekomaa/ qalbekom/ qalbekonna, على قلبك which it means “ on your heart”

Here it is nice to know the word “ Qalb” which it means “ Heart”
