First let's see how we say:

Suadi Arabia: it is Assuoodeyyah

Now let's learn How to say Suadi Arabian: it is Suoodey Suoodey

**But as you know that if we want to say Suadi Arabian for female its different a little bit,
we say: Suoodeyyah Suoodeyyah**

Now let's say: United Arab Emaret: it is Alemaaraat

Now let's learn How to say Emirati: it is Emaaraatey Emaaraatey

To say Emirati for female,

we say: Emaaraateyyah Emaaraateyyah

Here we can learn How to say Arab person?

We say: 3arabey 3arabey عَرَبِيّ

To say Arab person for female,

we say: 3arabeyyah 3arabeyyah عَرَبِيَّة

Ok, something you will see it's nice that if you want say “ Arabic language”

we say: Logha 3arabeyyah Logha 3arabeyyah لُغَة عَرَبِيَّة,

which means logha is : language,

3arabeyyah is Arabic,

that means in Arabic we put the noun then the adjective, also you can notice that Arabic is the same when we say Arab person for female, so if you know how to say the nationality of any country for female person you can use the same word with language

So we can say now “ I speak Arabic”, AtakallAmu logha 3arabeyyah,

again ” AtakallAmu logha 3arabeyyah” أَتَكَلَّمُ لُغَة عَرَبِيَّة

AtakallAmu means I speak

Now say with me “AtakallAmu logha Engleezeyyah” أَتَكَلَّمُ لُغَة إِنجِلِيزِيَّة

again : AtakallAmu logha Engleezeyyah

which means I speak English
